Item 2.01. Completion of Acquisition or Disposition of Assets.

On March 10, 2017, Westinghouse Air Brake Technologies Corporation (the “Company”) announced the closing of the previously disclosed subsequent tender to purchase the ordinary shares of Faiveley Transport, S.A. (“Faiveley Transport”) not already acquired (i) from Financière Faiveley S.A., Famille Faiveley Participations, Mr. François Faiveley and Mr. Erwan Faiveley (collectively, the “Sellers”) pursuant to the Share Purchase Agreement, dated October 6, 2015, by and among the Company, Wabtec France and the Sellers, as amended, or (ii) in the initial tender that closed on January 30, 2017.

The cash and exchange tender offer (the “Offer”) was open from February 14, 2017 through March 6, 2017. The Company, indirectly through Wabtec France, acquired a total of 2,859,191 Faiveley Transport shares, including (a) 2,856,110 shares pursuant to the cash offer for €100 per share, and (b) 3,081 shares pursuant to the exchange offer for 15 shares of common stock, par value \$0.01 per share of the Company, for every 13 ordinary shares of Faiveley Transport, or an aggregate of 3,555 shares of Company common stock.

Taking into account the shares that it already held, Wabtec France therefore holds 98.5% of the share capital and 97.7% of the theoretical voting rights of Faiveley Transport.

Because the minority shareholders represent less than 5% of the share capital or voting rights of Faiveley Transport, Wabtec France has the intention to implement a mandatory squeeze-out procedure with respect to the Faiveley Transport shares which have not been tendered to the Offer.

Item 3.02. Unregistered Sales of Equity Securities.

The Company common stock issued in connection with the tender described in Item 2.01, and incorporated herein by reference, was issued in reliance on an exemption from registration set forth in Rule 802 under the Securities Act of 1933, as amended.

Item 8.01. Other Events.

On March 10, 2017 the Company issued a press release regarding, among other things, the matters described herein. A copy of the press release is attached to this report as Exhibit 99.1.
